Dear Mr Row

A huge thank you from everyone at The Air Ambulance Service!

We're so very grateful for your gift of £150.00 given in lieu of receiving a trophy from the season league and competition programme. Your kind donation really will make such a difference and help keep our lifesaving charity flying. Your donation will keep our Helicopter Emergency Medical Services (HEMS) flying and rescuing lives every single day, as well as help raise the vital funds we so desperately need to get our Children's Air Ambulance flying and transferring seriously ill babies and children to urgent specialist medical care.

We receive no Government or National Lottery funding - we rely entirely on donations and the kind support we receive from generous people like you, so thank you.

Should you wish to find out more about our charity and see how your donation helps our service please call us on 08454 130999, email us at enquiries@theairambulanceservice.org.uk or visit our website www.theairambulanceservice.org.uk. If you have been helped by our service and would like to share your story, we would be grateful to hear from you.

Once again, thank you for your support and your dedication to our service.

Yours sincerely

Andy Williamson

CEO The Air Ambulance Service
