Key: 3 or 2 = in-off (loser).
 (3, 2) = 5 points scored in single shot – pot red and cannon.
 2 = opponent's ball potted,
 +2 = 2 points awarded from foul/miss

Geoff steadily built a lead over the first 10 visits, before scoring a 93 break which possibly signalled the 'end' of the match. The 5 minute break after the first hour's play, saw Geoff return to the table to complete a 126 break and surely take the title away from Richie's grasp. Further breaks of 46 and 53 by Geoff exemplified his dominance in LDBSA billiards.
