Dear Mr Row,

Thank you for supporting Warwickshire & Northamptonshire Air Ambulance

I wanted to say thank you for your gift of £250.00, it really does make a difference. It's the generosity of supporters like you that literally lifts us up into the air, so that we can help more patients like Kieren.

Kieren was just 14 years old when he was knocked off his bike and suffered life-threatening and time critical injuries. Our crew were soon on the scene and gave him lifesaving care before flying him to hospital. Kieren had to learn to walk, talk and eat again. He is now fighting fit and back on his bike again - he even took on a cycling challenge to raise money for our charity.

Kieren said of Danny Evans, the critical care paramedic who was part of our air ambulance crew, "I don't know if I would be here today without Danny. I loved going to the airbase to meet him and to say thank you for saving my life."

So thank you so much for choosing to support us. As you know, we don't receive any government funding. Without the ongoing support and commitment of people like you, we simply could not do the lifesaving work we do.

Yours sincerely,

Andy Williamson
Chief Executive

PS If you have been helped by our service and would like to share your story, we would particularly love to hear from you.
